Vision

Blue Lanka Tours strives to be the world class leader in the tourism industry in Sri Lanka with itineraries built on a passion for travels and travelling life styles. We are committed to continuously strengthen our services to improve our competitive position.

Mission

To create fine tours that hold the power to transform your mood, conjure up long last memories and embrace you with a sense of comfort and well-being. To allow you to find happiness in the smallest of things.

Our continuous success is thanks to our first-hand knowledge of our destination and the personal service we offer our customers. Our tour consultants are backed by years of experience in the field which is how they can provide personalised tour options that deliver above and beyond expectations. We do not promote anything we have not experienced and enjoyed ourselves. We provide a diverse range of tours focused on culture, beaches, adventure and luxury, allowing our customers ample opportunities to discover the many hidden wonders and pleasures of this paradise island.

We work with over 1000 accommodation properties, each chosen for its excellence of service, special significance, artistic and cultural importance and value for money.

From offering a wide variety of services from transport options, to accommodation booking, to travel documentation and Visa requirements, to tour packages we manage a customer's entire holiday experience in Sri Lanka with us. Our personal care and service for our customers continues right throughout their time holidaying in Sri Lanka till they return home.

Blue Lanka Tours fosters ethical and responsible tourism and has a strong corporate social responsibility program that gives back to local communities.

EXPERTISE

A dramatic sunset scene over the ocean with three fishers on stilts. The sky is a mix of deep red, orange, and dark blue. The fishers are silhouetted against the bright horizon. The fisher on the right is in the foreground, sitting on a wooden post. The other two are further back, also on posts. The water is dark and calm.

SRI LANKA

The warmth the island enjoys thanks to the near constant equatorial sun is only matched by the warmth of its people. They take pride in letting visitors from around the world enjoy their tiny but adventure-packed island. For travellers looking to revive their minds, bodies and souls, at Blue Lanka Tours we offer three basic categories for our tour packages: interests, budget and comfort level. We want everyone from around the globe to experience the beauty, grandeur, mystery and luxury of Sri Lanka, where every experience is filled with discovery, adventure, inspiration and indulgence, according to what the customer is looking for.

WORLD HERITAGE (UNESCO)

Blue Lanka Tours help visitors have a truly immersive experience when they choose to visit the inspiring world heritage sites, of which Sri Lanka is blessed with staggering eight UNESCO designated World Heritage Sites. These are the ancient sacred city of Anuradhapura, the ancient city of Polonnaruwa, the sacred city of Kandy, the Sigiriya Rock Fortress, the Golden Temple of Dambulla, the historic Galle Fort and two natural sites, the Sinharaja Rainforest Reserve and the Central Highlands of Sri Lanka.

CULTURE & HISTORY

A tour centred around the country's culture and history, gives visitors the opportunity to marvel at our ancient ingenuity and gain insight into how developed Sri Lanka was in ancient times. The island has a rich and varied history which has contributed to the diverse and inclusive culture the country enjoys today. From the times of the ancient kings, the introduction of Buddhism to Sri Lanka, the Colonial period and independence have all left their mark on the deep culture and traditions that provide Sri Lanka with its unique personality and character.

BEACHES

Endless blissful days spent soaking up the sun, lazing on the warm sand and cooling off in the aquamarine surf awaits all who venture on a tour of Sri Lanka's famous beaches. Achieving an enviable tan, while catching up on all the summer reading or snoozing with a refreshing cocktail in hand, we provide travellers an air conditioned luxury accommodation in which to enjoy a relaxing night and awake revitalised for another day of fun on the beach. Whether it be Sri Lanka's east coast, west coast or the lively southern coast, a beach holiday like no other awaits our customers.

TEA PLANTATION

Embark on a journey through the tea industry, from its colonial beginnings to its current completely Sri Lankan touch, an exploration of Sri Lanka's lush tea plantations will be an unforgettable adventure. Visitors can watch up close, the deft fingers of the tea pickers plucking the perfect 'two leaves and a bud' necessary to create the world famous Ceylon tea. They can roam the tea estates with their verdant tea bushes and visit a factory where senses are assailed by the aroma of tea in the making. And of course, drink as many cups of aromatic Ceylon tea in the chilly climes of Sri Lanka's up country region, the hub of the tea industry.

HANDICRAFTS

Blue Lanka Tours takes visitors to see first-hand the making of Sri Lanka's famous handicrafts and batik manufacturing.

The island has a proud heritage of arts and crafts, from crafted wooden masks, to pottery and ceramics, gold and silver jewellery set with local gemstones, to intricate lace work, lacquer work and of course batiks. Visitors can watch the master crafts people at work, as they create their unique pieces by hand. Even batik which has found fame in the fashion world, is done by hand and fabricated solely on pure cotton or silk fabrics. Visitors are sure to find quality souvenirs to take back home as well as find comfort in the knowledge that they are helping these craftsmen continue in their traditional creative trades.

GEMS

Travellers on a gem tour with Blue Lanka Tours, will be mesmerised not only by the valuable colourful stones, but by the entire gem business. With an in-depth analysis of the gem fields, the available gems, how it is sourced and the best places to purchase Ceylon gemstone from. Whether the purpose is just to learn more about these precious and semi-precious stones or to actually purchase a few, the gem tour will be an interesting and enlightening experience into the world of gemstones.

DAY TOURS

We provide convenient and experience-packed day tours ranging from in and around the capital Colombo, to the astounding greenery of the Hill Country, to the sights and sounds of the bustling towns in the deep down south, to the Northern coastal areas and to the inspiring ancient cities located in the famous Cultural Belt and where the rich cultural heritage of Sri Lanka forms part of everyday life and is celebrated daily.

ITINERARIES

Our professional team of Tour Consultants have put together a collection of itineraries to suit every travel wish list. We cover all Sri Lanka's experiences in our varying itinerary options which also includes different lengths such as 7 day to 14 day tours. Our clients can pick from Sri Lanka round tours which covers most of the island's attractions to specialised tours, namely beach tours, cultural tours, gem tours, rail tours, Ramayana tours, golf tours and much more. For couples looking for the ideal wedding destination we offer the perfect dream wedding in Sri Lanka. We also have amazing Honeymoon tours.

TAILOR-MADE TOURS

For customers looking for a specialised holiday itinerary, we have the expertise and experience to create personalised itineraries which cater to a specific customer's travel wish list. We listen to their holiday needs and create an itinerary that incorporates experiences to fulfil those needs. As we have in depth knowledge and experience regarding Sri Lanka, we deliver a holiday experience that always satisfies.

MICE

We offer a comprehensive MICE service, which also includes organizing accommodation and all the ground arrangements to guarantee our visitors a professional and smooth event. Our management team has good relationships with the hotels we work with so that we can guarantee that all events go according to plan. Customers booking MICE tours with us always enjoy an unforgettable experience and corporate event. For convenient transport options we provide vehicles personally guaranteed by us for a high level of luxury and comfort.

WEDDING

Sri Lanka makes an idyllic wedding destination and we help our customers combine this with a wedding planned to perfection, incorporating all their dreams and desires.

Not only does the island provide the ideal romantic wedding location but it is also a great way to treat attending guests to a heavenly paradise getaway. What our customers need to do, is select from our comprehensive range of hotels in different locations across the island and narrow down the ones that appeal to them most, based on location and budget. Thereafter we do the rest with our consultants helping to sort for the couple, the best possible option after regular discussion for their opinions and requirements. We also advise them on the necessary documentation and legal procedures well in advance, to avoid any unnecessary last minute hiccups.

We work with over 1000 accommodation properties, each chosen for its excellence of service, special significance, artistic and cultural importance and value for money. Catering to all needs, our accommodation portfolio includes boutique hotels, beach hotels, bungalows and mansions, cultural area hotels, camping options and hill country hotels. By working closely and personally we ensure that the accommodation providers maintain their excellent standards and are monitored and overseen by us for quality assurance. We work with accommodations across the island, allowing us to in turn provide our customers with a varied range of holiday options, so that they enjoy an experienced-filled vacation in Sri Lanka.

ACCOMMODATION
